IN SPITE OF TERRITORIES WITH DIFFERENT CHARACTERISTICS, THE CASE STUDIES HIGHLIGHTED THAT THE THE MULTISTAHOLDERS PARTNERSHIP APPROACH

- may contribute to the simplification of the services;
- allows each partner to bring its own skills and knowledge;
- allows the localisation of integrated services in one place;
- can help to better meet the clients needs regarding lifelong guidance.

It is obviously essential to take into account the specificities of each territory so that the actions implemented can best meet the needs of the target audiences and stay up-to-date with territorial needs.
